An Evening of Glamour,
Wild Tales, Photos &
Films with Cockette
Fayette Hauser

Birthered in Haight Ashbury in 1969, The Cockettes were a no-holds-barred, in-your-face experimental theater troupe which pioneered the concepts of gender fluidity, multi-dimensional identity, and self-individuation. The Cockettes came to the Village, of course! The Village Trip presents founder Fayette Hauser with an illustrated talk and film screening that will evoke nostalgia in those who were there, and envy in those who missed out. Be there!
