The Village Trip Comedy Night

Lindsey Barnes

Katie Finn

The laughs are on us at
The Village Trip comedy night
in the heart of Greenwich Village,
where the likes of Lenny Bruce,
George Carlin, Jon Stewart & Joan
Rivers began playing for laughs.

Curated by Lindsey Barnes & Katie
Finn, it will showcase both established
& emerging talent who will train
their laser eyes & sharp tongues on
the absurdities of 21st-century life.

If we didn't laugh, we'd cry!

September 25, 8pm
